SAVING LIVES & CHANGING HEARTS ONE PERSON AT A TIME

Praise God - \$21,800.00 Gift

One of our volunteers, Cathy Morrow, has been representing the Pregnancy Resource Center to the **100+ Women Who Care of the Greater Owosso Area**. Each quarter, three representatives from area nonprofits are chosen to present the needs of their organization. Then a vote is taken and the winning group is presented with a check representing \$100.00 from each woman who is a member of the 100+ Women group. In July, the vote went to the PRC and we received a check for **\$21,600.00** with some additional gifts coming in for a total of **\$21,800.00**. This is an amazing gift that God has blessed us with! **Hallelujah!!**

Thank You 100+ Women Who Care of the Greater Owosso Area!!

Diapers

There has been an amazing response to our need for diapers! Currently, we are well-stocked thanks to all of the donations from this generous community!

THANK YOU!!

[Do you love to do yard work? We could really use someone to come help with the weeding around our building. If interested, please call 989.723.4025](#)
